

Acceptance Letter

Dear Khang Nguyen Vinh, Thao Bui Thanh, Cuong Le Nguyen Viet, Tam Tong Duc Tu, Nghia Tran Huu, Khanh Dang Tran, Sam Nguyen Xuan,

Paper ID: 85

Paper Title: Temporal Transformers for Biomass Estimation

The review process of your paper for **International Conference on Advanced Sensing and Intelligent Systems (ICASIS 2026)** has been completed. We are pleased to inform you that your paper has been accepted for the conference. You are cordially invited to present the paper at ICASIS 2026 held on May 16-18, 2026 in Hong Kong, China. This notification serves as our formal acceptance of your paper as well as an invitation to attend ICASIS 2026. Please note that this notification will be sent to your co-author(s) (if any), as well.

Important Note:

In order to register the conference successfully, please ensure the following preparations and register Before **February 13, 2026**.

1. Revise and format your paper (MS-WORD and PDF). If your paper is formatted using LaTeX, kindly provide the source code in zip format.
2. If your article includes multiple authors, please indicate the corresponding author using an asterisk (*).
3. Scan the Student Card (if applicable) in jpg format.

Once the aforementioned files are prepared, kindly proceed to register step-by-step at the following link:
<https://meta-conference.cc/index/index/detail/id/97.html>

If you have any problem when registering, please feel free to contact us via cfp@icasis.org by quoting your Paper ID in all the following procedures and any future inquiries.

Thank you for your contribution to the conference and we are looking forward to your future participation!

Organizing Committee of ICASIS 2026
Email: cfp@icasis.org

Conference Date: May 16-18, 2026

Your paper will be excluded from proceedings at any level of quality checks carried out by SPIE. Conference organizers are not responsible if your paper detects plagiarism or any lack in quality reported by SPIE after submission of final proceedings (camera ready copies) to SPIE.
